About Tirupati

As World's leading pilgrim destination, Tirupati doesn't need any profiling as the town is close to the heart of millions. However few lines on the recent development may be an apt update for those who are seeking investment in the city. The holy town is one of the fastest growing destinations in the country fueled by its increasing status as the pilgrim center. In the recent times the city also a hotbed developmental activities related to urban infrastructures, food & agri parks , SEZs, hospitality, education and much more. The town and its outskirts have one of the most excellent road & rail infrastructure. The Tirupati airport is on its way to scaling up the facilities and becoming a major airline hub with more flights added connecting different parts of the country.
